To all participants of Mayors Regatta

The first Mayors Regatta will be held in Santa Margherita Ligure, a lovely Italian small town and sailing center, which hosts several national and international sailing cups every year.

I am honored to salute the participant Mayors who, coming from different countries of the world in the spirit of sport and friendship, will compete in this exciting challenge.

The Mayors Regatta, firstly presented last October at the International Nautical Salon of Genova, will take place in our town in the period September 20 to 23, 2007. This event will represent an important moment of dialogue and exchange of local experiences among Italian and foreign Mayors.

The creation of a “village” right in the city center overlooking the seaport will encourage public involvement, offering the opportunity to watch live all races also on monitors and on a maxi screen.

Live performances will also contribute to animate our town during this unforgettable week.

Welcome to Santa Margherita to all “sea dogs” and “good wind to everybody”!

L'Assessore allo Sport  
(Marco Arecco)

Il Sindaco  
(Claudio Marsano)
